For more information about Certificates of Achievement and the effort required to become eligible, visit [futurelearn.com/proof-of-learning/certificate-of-achievement](https://futurelearn.com/proof-of-learning/certificate-of-achievement).

This certificate represents proof of learning. It is not a formal qualification, degree, or part of a degree.

## THANH KIM NGO

has completed the following course:

### **INTRODUCTION TO APPLIED LINGUISTICS AND TESOL UNIVERSITY OF LEICESTER**

---

The course explored key areas of applied linguistics, such as psycholinguistics, sociolinguistics, corpus linguistics, phonology and looked at how these can be applied to investigating real world language-related problems. The course investigated the field's impact on important issues - for example, reducing gender bias in language use; raising awareness of accent discrimination and improving methods and approaches to language learning, teaching and assessment.

#### **STUDY REQUIREMENT**

6 weeks, 3 hours per week

#### **LEARNING OUTCOMES**

- Demonstrate understanding of the key areas of applied linguistics and how these can be related to language teaching and learning
- Demonstrate knowledge of the fundamentals of applied linguistics, including language structure, language acquisition and language use in relation to culture, society, communication
- Explore the role of language within the broader field of communication, particularly in language teaching and learning
- Collect language data, organize it appropriately, and carry out initial linguistic analysis of that data
- Reflect on and value diverse perspectives on language use and language users in society
- Contribute knowledgeably to discussions on contemporary linguistic issues in a multilingual society

#### **SYLLABUS**

- Have you ever met an applied linguist?
- Language and the big decisions in life

- Inspiring language learning
- The social role of pronunciation
- Investigating language in use
- Joining the Applied Linguistics and TESOL community at Leicester
